Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed.

SENIORS

We pass this way only once in our lives and it has meant much to us. Thoughts recur to us, although some are recalled much easier than others. A place, a room, a hall, a desk, a window, a door, a parking place mean something to us. The occasion, the incident, the teacher, the joke, the story, made us what we have become: the class of '73. We feel warmth toward those who have become a part of our lives. We believe in, cherish, and yes, even deserve the friendships that enriched our lives for those four years. Emerging from this brief sojourn, we will begin to live and work what we sensed Jesuit had given us.

UNDERCLASSMEN

We do not rest satisfied with the present. We anticipate the future as too slow in coming, as if in order to hasten its course; or we recall the past, to stop its too rapid flight.

A hundred times every day I remind myself that my inner and outer life depend on the labors of other men, and that I must exert myself in order to give in the same measure as I have received and am still receiving.

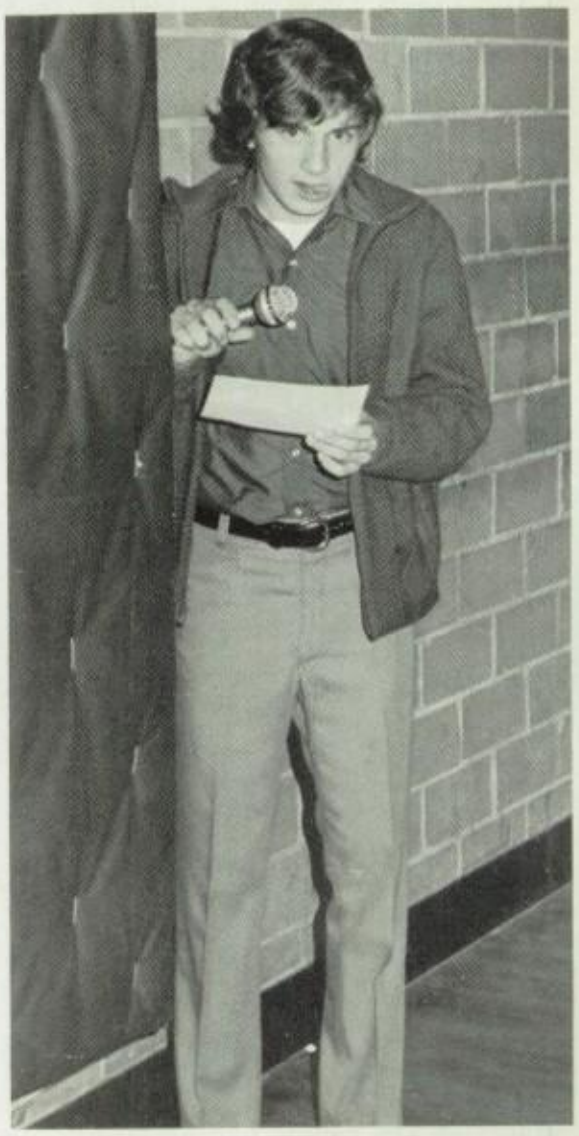
STUDENT GOVERNMENT ASSOCIATION

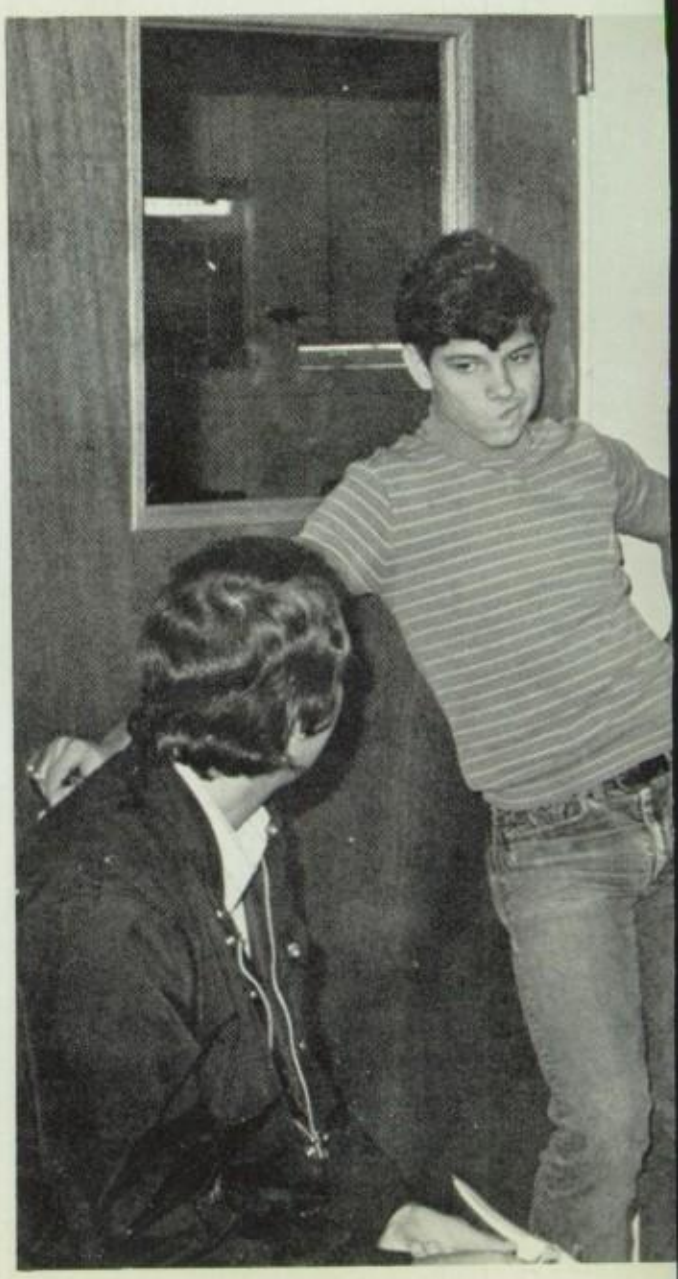
GREG BICKERS

RON DEFATTA

TONY GREGORIO

The Student Government Association endeavored to incorporate each organization involving each student. Their programs created an attitude of innovation and action. In this vein the Association spent afternoons seeking solution, answers, ideas, and strategies in pursuit of professionalism. Each student's concern became their priority and enabled them to develop a zeal for service and a communicative bond among the members in the Association.





A society can neither exist nor be conceived in which there is no one to govern the wills of individuals in such a way to make one resolve out of many, and to impel them rightly and orderly to the common good of all.

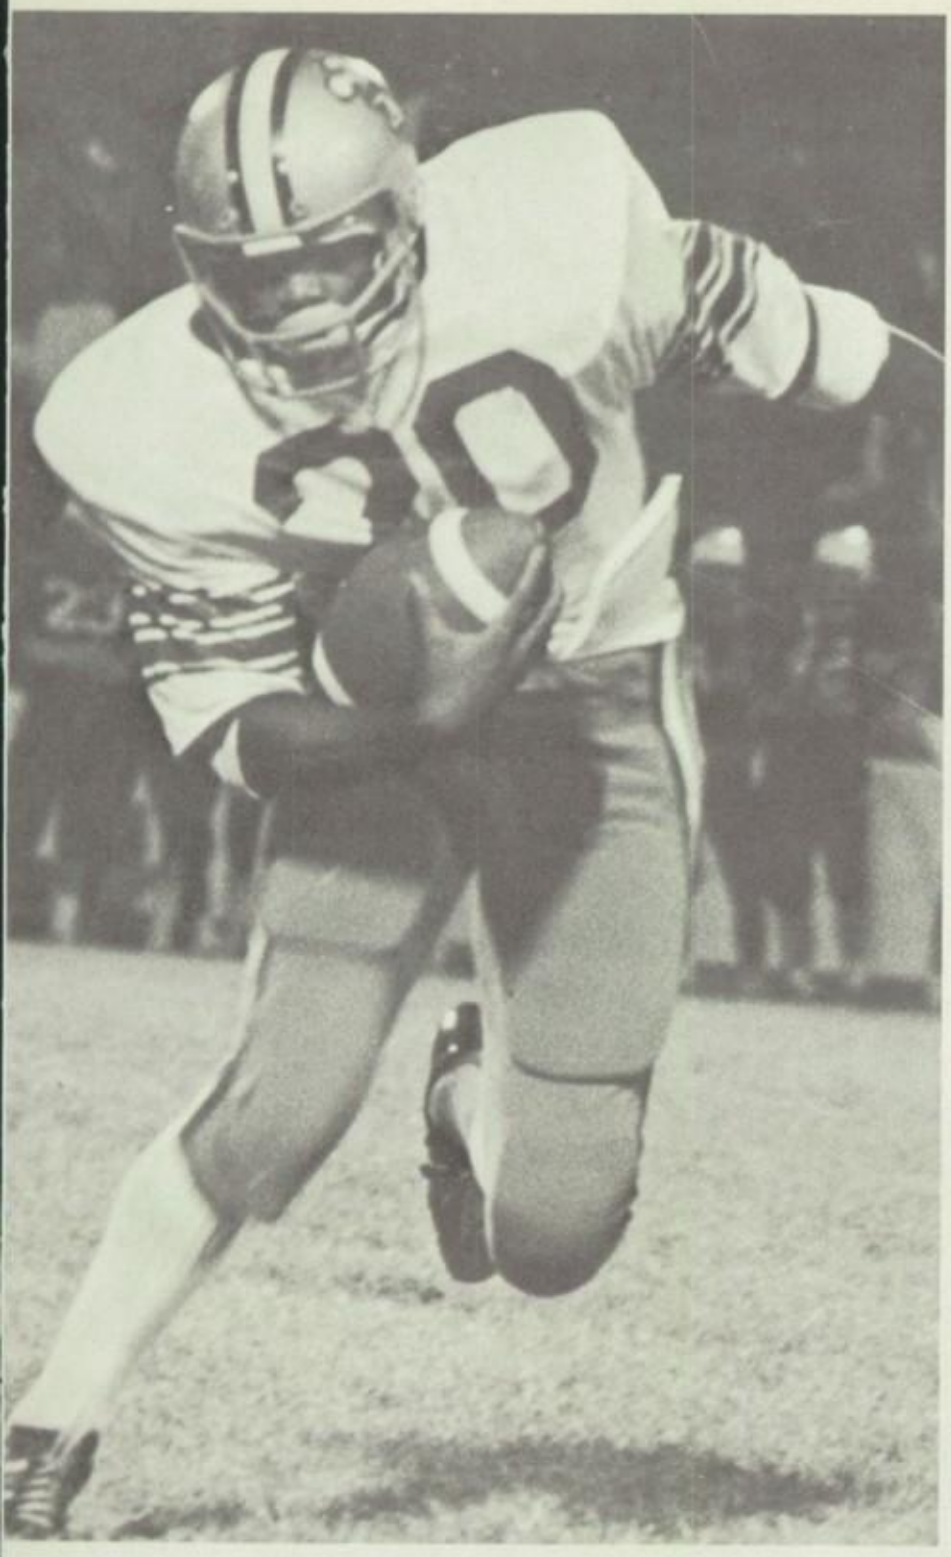
"Jesuit Blue Flyers, Number 3 in the state," was the official decree of the sportswriters after the Blue's opening game 35-7 shellacking of Green Oaks. Jesuit seemed to have all the ingredients for the same type of club that terrorized the state in '67: size, speed, experience, youth and a blooded coaching staff. However, the 1972 Flyer football edition had its ups and downs this season, which was evident by its disappointing 5-5 record. With great expectations and excellent material, the Jordan Street Boys seemed assured of once again attaining the district crown, which they had so dominated in the past. However, ill fortune struck the Flyers in such areas as bad breaks and untimely miscues. Not one opponent in District 1-AAA had a more solid, balanced club than did Jesuit, but amidst all the hurrahs, some mysterious elements crept in and internally demolished the Flyers' dreams of a state championship. After the conclusion of the season the Flyers were honored by displaying the best overall defense in their respective district. Post season honors went to Steve Britner, who was named Outstanding Lineman of the Week, All-District and All-City and to Mike Erwin, who achieved the Tripple Crown by being selected on All-District, All-City, and All-State teams.



After the disastrous North Caddo loss, the Jesuits did manage to eke out wins over Minden and Northwood, after clobbering Green Oaks 35-7 in the thick of the district fight. The hard fought victory over Minden featured the staunch Flyer defense and a ground game tailormade for the muddy track; final score: Jesuit 14, Minden 6. Next was archrival Northwood, which gave the Flyers tough struggle, but spearheaded by a spectacular 55 yard scoring catch by Royce Adams, Jesuit rolled to victory. The proud defense had its first shut-out and the Flyers finally looked like a team. The mysterious element crept in the following week, though in a 17-7 loss to Bossier. Two costly turnovers in the second half did the Blue in, providing the Bearkats with the winning margin. Although it took the offense a half to uncoil against Bethune, they sprung a devastating attack in the second half, highlighted by scores from Carper, Adams, and Hermes. After the 20-0 Blitz of Bethune, things didn't go as well the next week in a 28-7 loss to runner-up Haughton. The epitome of frustration arrived on homecoming night versus Springhill, when two last minute drives failed to overcome a 13-6 Lumberjack lead; Springhill 13, Jesuit 12. The season's finale brought the Flyers their best game of the season, a 32-0 smashing of Parkway. The staunch Flyer defense, bidding to become the district's best, ended a disappointing season with an explosive win.

This year's edition of Jesuit High School's Basketball team proved in many ways to be the best ever. The reasons for this year's success centered mainly around a strong defense, excellent coaching, and five unselfish players who worked together as a single unit.

The Flyers opened the season in fine style by winning their first five non-district contests. Never before had any Jesuit club compiled such an impressive record in the early going. With such state powerhouses as Haughton, Springhill, and Parkway in the same district, the Flyers' chances seemed bleak. Jesuit not only survived, but registered two impressive victories over runner-up Parkway, in which Robbie Gosslee hit for over 30 points.

In the early stages of the season Coach Holladay, who is in his fourth year as head mentor, expressed his feelings of the upcoming season with "cautious" optimism. He believed in most cases that the game was determined by a few breaks and the team with the upperhand that particular night usually wins.

This year's team consisted of three seniors, three juniors, and two sophomores. However, both the first and second-year players saw plenty of action as Boose, Calendar, and Wright played regularly throughout the year. The two sophomore sensations, scrappy Leslie Jones and John (Jo-Jo) Brown broke into the lineup and helped rejuvenate the team during a mid-season slump. Finally, there are the trio of seniors, consisting of two-year starters, Robbie Gosslee and Arthur Bright, along with super sub Chris Waterman. At guard, Bright displayed his ball wizardry in fine fashion and together with his leadership ability proved to be the floor leader. As Coach Holladay put it, "Rob Gosslee, for his size is one of the best," and was he ever. Not only did he shoot for the second best average in the district, but at 6′ 2″, he rebounded with opposing players with great height advantages.

The team's success cannot be credited to any one particular player, but to the whole team as a single unit, and with the majority of the squad returning next year, continued success seems to be in the making.

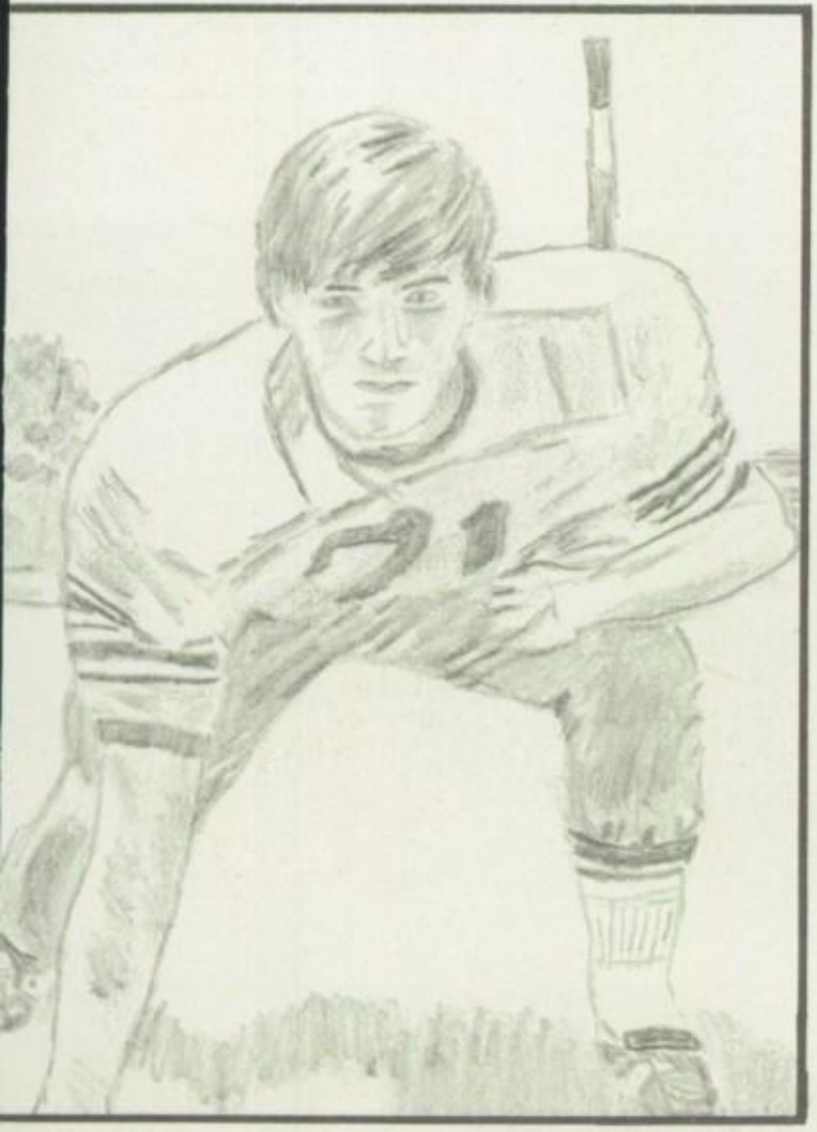
Rob Gosslee proved to be one of the best in 1-AAA this year in many respects. Maintaining a scoring average of twenty points throughout the season he ranked number two in district in that category. Gosslee's most outstanding achievement, however, was reaching the glamorous 1,000 point club for his career. Along with these achievements, the 6-2 center proved to be an inspiring floor leader as he and his teammates helped make a most successful year for the Flyers.



Various post season honors went this year to two linemen: Mike Erwin (left) and Steve Britner (right). Defensive tackle Britner was chosen "Outstanding Lineman of the Week," All-District, and All-City. On the other side of the line was Mike Erwin at offensive tackle, who achieved the Triple Crown in being named to All-District, City, and State teams.

There are parts of a ship which taken by themselves would sink. The engine would sink, the propeller would sink. But when the parts of a ship are built together, they float. So with the events of my life. Some have been tragic. Some have been happy. But when they are built together, they form a craft that floats and is going someplace. And I am comforted.
